Extend your payment terms for up to one year!

Sheppee International has introduced a Payment Incentive for customers wishing to make spare parts or capital equipment purchases over £30,000. Payment can be extended to **one year** based on the issuing of a confirmed letter of credit.

Should your expenditure be put off until 2010 then with this mechanism the goods can be purchased, manufactured and delivered without delay but payment does not need to be made until the last quarter of 2010!!!!

Similarly 2010 expenditure does not necessarily have to be paid for until 2011.

Why delay improving your productivity and efficiencies?

Should this incentive change any of your purchasing plans then for more information please contact one of our sales team at sales@sheppee.com
